

# WATER EVAPORATORS

# serie WT HPR

## Heating pump Evaporators with scraper for encrusting liquids.

Vacuum operating with Venturi jet pump.  
Serpentine condenser inside the boiler.

Heating shell which forms a single block with the boiler.  
Heat pump R22/R407C compatible.

Contact information update:

We have begun the long arduous process of moving our office.  
Please continue to direct mail to:

Sawyer and Smith Corporation  
5412 Homegardner Road  
Castalia, Ohio 44824

All phone contact to:  
423.289.6894

All other email and website information remains the same. You can contact us at any of the existing web addresses. Email is received remotely and responded to more quickly and efficiently than a phone message. If you call the office, please leave a thorough message INCLUDING your email address so that we can send you the required information as soon as possible.

Thank You.
